

Expressions of Interest to participate as a member of the NSW SES Volunteers Association Grants Committee

The NSW SES Volunteers Association is committed to supporting the volunteer members of the NSW SES through providing ways for the purchase of equipment to improve the volunteer experience or assist communities in addition to sponsoring training and education.

A recent review of the grants programs operated by the Volunteers Association identified opportunities to more efficiently provide support to SES members by having a program in which applications could be made at any time throughout the year.

A component of the review was the establishment of a Grants Committee to administer the Grants Program and to report to the Board of Directors on its activities.

The Volunteers Association is seeking suitably qualified people to apply for a position on this committee. You will be required to attend meetings quarterly, participate in future planning, promote the activities of the committee and report to the Board via the committee Chair.

The criterion for selection is:

- 1. Must be an associate member of the NSW SES Volunteers Association*
- 2. Demonstrated commitment to the Values of the NSW SES Volunteers Association*
- 3. An understanding of the commitment and contribution NSW SES Volunteers make to their communities*
- 4. Ability to prioritise applications and make decisions aligned to budget allocations in a competing environment.*
- 5. Demonstrated ability to plan and report activities*
- 6. Strong communications skills*

To be considered for a position on this committee please submit a 2 page (max) covering letter addressing the above criteria and explaining how you will be able to contribute to operation of this Committee. Please include a copy of your CV with your letter and send it to the NSW SES Volunteers Association Office:
